Hi Sunny (Please let me know which name you would prefer :)) -

Excellent, please use the following discount code when registering: **MTGVOL23**

Please do not disseminate this discount code, as we have a limited number of open slots available. When you finish registration please send a quick follow up email to me letting me know you utilized the code.

As a reminder, this discount is in exchange for 10 hours of volunteer work at the conference. Additional follow up emails will be sent to you as we get closer to the conference, where you can sign up for specific tasks and time slots.

Thanks,
Zach Holmes

Hi Zach 😊

I am very excited about the AOS-SCO-SOC conference. I will be working on my registration next week and wonder whether I could get the promotional discount code for volunteers.

Thank you for organizing this!
Cheers,
Sunny

Hello Yi-Chin -

Thank you so much for signing up to be an in-person volunteer at the AOS/SCO-SOC annual conference in London, Ontario from August 8-12, 2023. My name is Zach Holmes and I am the Volunteer Committee Chair for the conference. At any point if you have any questions please do not hesitate to contact me.

As a reminder, this is an in-person volunteer opportunity only. If your plans change and you can no longer attend this conference in person please let me know. **Before registering for the conference, please reach out to me so you can receive the promotional discount code for your volunteer work.** Using this discount code in your registration confirms your participation in the volunteer program, and you will be recognized at the end of the conference.

Additional information will come from me as we get closer to the conference. Thank you so much again, and I look forward to working with you.

Sincerely,

Zach Holmes
